KATALOĐU İNDİR

Ayrıcalıklı bir mutluluk üssü:

# Romantica

Bir yerde var olmanın en zarif ve duygulu hali...

Ben buradayım diye bağırmayan, abartısıyla sizi yormayan,  
sessizce hayatınıza uyumlanan bir mutluluk üssü Romantica.

Beyazlar sade ama kendinden emin, pembeler sakın ama güçlü,  
detaylar küçük ama iddialı, çizgiler yalın ama sanatsal, hayatsa hep romantik...

Az sonra görecekleğinizin hepsi, sihrini sizin hayallerinizden alıyor...

Ve biliyorsunuz, burada konuşan tek şey

duygularınızın coşkusu...

A white desk with a built-in hutch. The hutch has a central panel with a decorative element and shelves on either side. The desk has a small cabinet with a drawer and a decorative chair with a pink cushion. The desk is decorated with a vase of flowers, a pen holder, and other items.

A white wardrobe with three doors. Each door has a decorative element at the top and a small handle. A basket is placed on top of the wardrobe. The wardrobe is decorated with a floral pattern.

**Bir dokunuşunuzla  
canlanacak  
hayaller, şimdi sizin  
gerçekleriniz...**

**Eşyalar da konuşur ve onların dilinden en iyi Romantikler anlar.**

**Arkadařlar hayatın en gzel ssdr,  
ayrıntılırsa Romantica'nın...**

**Anılar hafızaya, fazlalıklar bazaya; ikisi de olması gerektiği yerde.**

**Nefes aldıran bir düzen  
olmazsa olmazımız!**

**Ranzalar çift, hayaller tek,  
paylaşmak hep güzel...**

**Dışı sade bir dolap, içi renkli bir dünya, çünkü Romantica!**

**Sizin sihirli deęneęiniz  
elbette ki hayalleriniz...**

  
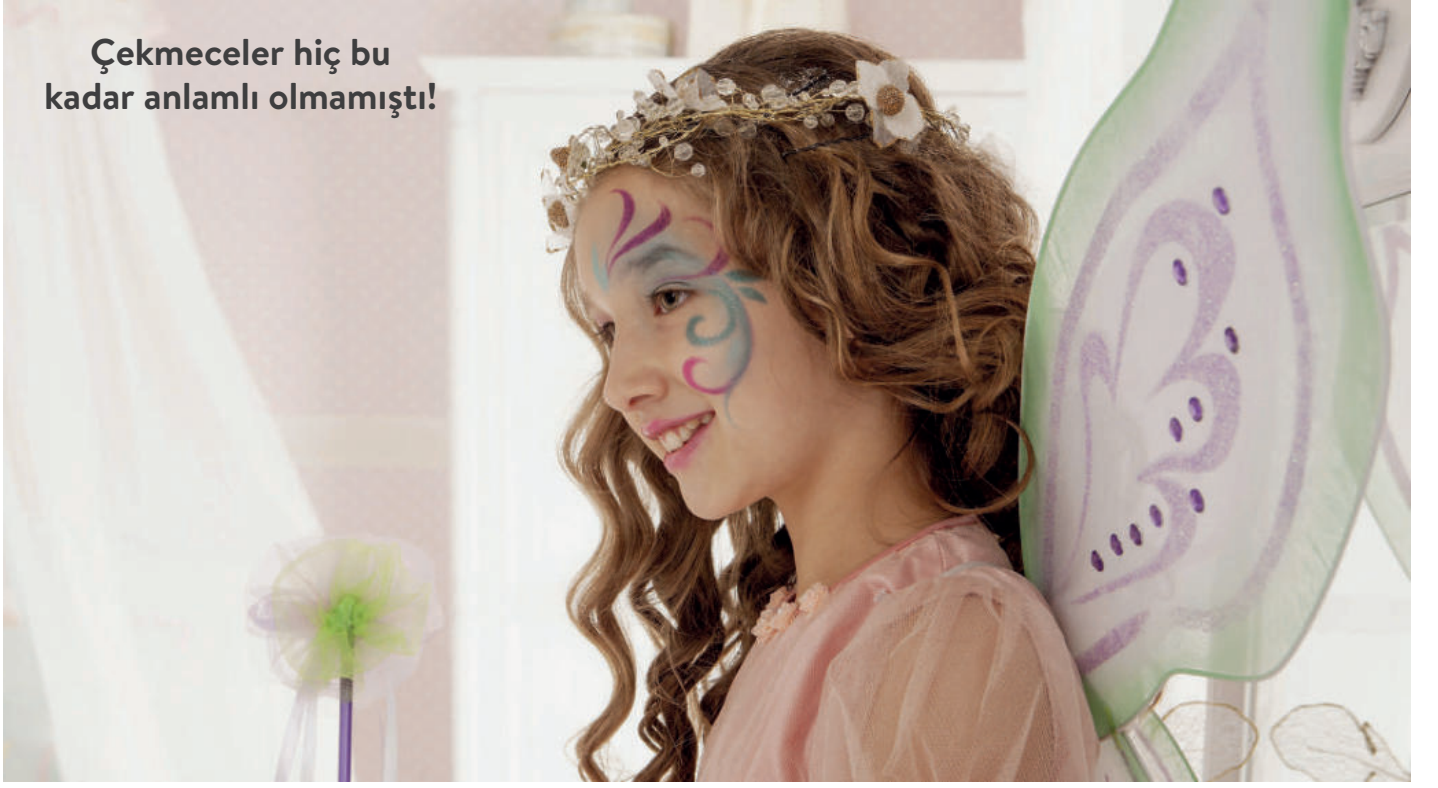

**Giysiler, hatıralar, hayaller... Burada hepsine yer var.**  

Eşya değil her biri birer  
nota ve söylenen sizin  
şarkınız...

**Çekmeceler hiç bu kadar anlamlı olmamıştı!**

**Düzenlemeyi,  
biriktirmeyi, saklamayı  
sevmenin keyfi.**

Her köşeye sihriniz  
bulaşmış gibi...

An'ı yařamanın ayrıcalığı,  
konforu hissetmenin  
huzurudur bazen...

**Romantica'da halılar  
ayağınızı yerden kesebilir!**

**Göz okşayan renkler,  
ahenkli çizgiler...**

**Rahatlık, şıklık ve  
keyif ya da kısaca  
sandalye.**

**Yormadan sadece  
dinlendirir.**

Zarafeti  
ayrıntılarında gizli...

Sadeliği aydınlatır!

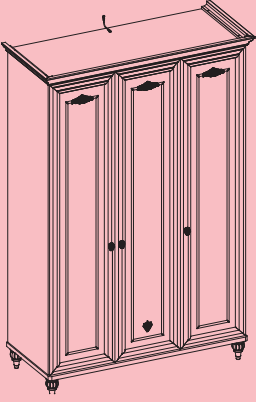

**Romantizmin  
dorugunda kesinlikle  
bir cibirlik vardır!**

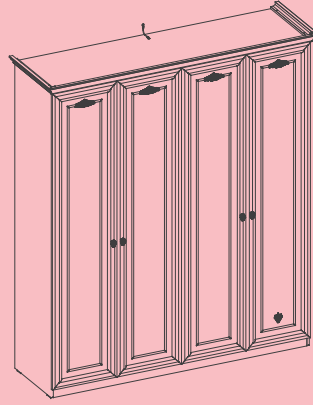

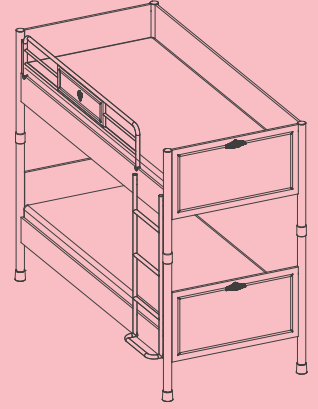

**Bırakın düşleriniz de perdeler gibi uçsunsun...**
